**Terry Wynter Auto Service Center website wins award**

FORT MYERS, Fla. (April 21, 2010) – The Southwest Florida Chapter of the Florida Public Relations Association honored [Terry Wynter Auto Service Center](http://TerryWynterAutoServiceCenter.com) with an award of distinction for its newly-designed website at the 2010 Image Awards.

[Terrywynterauto.com](http://Terrywynterauto.com) was the only website to garner an award at the annual competition, which recognizes outstanding public relations programs in Southwest Florida. Winners demonstrate the very best examples of innovation, planning and design.

“Our new website demonstrates our commitment to customer convenience and we are happy to see it is recognized as an outstanding communication tool,” says owner Terry Wynter.

Features of the website include the ability to make appointments online, obtain manufacturer maintenance schedules and communicate with mechanics regarding automotive concerns. Additionally, the site offers valuable tips on properly maintaining vehicles; comprehensive information about the business’ history, accreditations, affiliations, awards and services; links to other informative auto industry websites; and much more.

Established in 1996, Terry Wynter Auto Service Center is an independent, family-owned automobile service provider specializing in vehicle maintenance and repair services for individual car owners and commercial fleets. The 11-bay shop is located at 3811 Fowler

St., just north of the intersection of Winkler Avenue and Fowler.
