**Terry Wynter Auto Service Center
hosts free car care seminars for women**

FORT MYERS, Fla. (March 11, 2011) – Kay Wynter, co-owner of Terry Wynter Auto Service Center will host two free car care seminars for women. Titled “Knowledge is Power,” the seminars will take place at the Fort Myers shop, located at 3811 Fowler St. on Saturday, March 26 from 9:30-11:30 a.m. and Wednesday, March 30 from 6:30-8:30 p.m.

The seminar is designed to enhance women’s understanding of vehicle maintenance requirements such as checking oil levels and tire pressure. Wynter and a master technician will teach attendees how to troubleshoot common problems, enhance road safety and manage their vehicle service needs. The seminar will cover everything from how to sense potential problems under the hood to tips on how to communicate with service advisors. For more information or to register for the seminar, call 239-939-2500, ext 10. Reservations are required as seating is limited.

“We want to empower women with the automotive knowledge they need to feel comfortable and confident when maintaining their vehicle,” says Wynter. “I am personally proud to have worked closely with A/C Delco as an advisor to develop new materials that will be used on a national level for Women’s Car Care Seminars. We are excited to offer this educational program to our customers and the community, in a fun atmosphere.”
